EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Talivaldis Cepuritis on December 7, 2005.

The application has been amended as follows:

IN THE CLAIMS:

In claim 9, line 5, "a twist-off" has been changed to -- a frangible, twist-off --.

In claim 9, line 8, "and expandable" has been changed to -- an expandable --.

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach a container as set forth in the claims.

The patent to Schmidt, in the embodiment of Figs. 5a-5c, teaches a frangible, twist-off closure having a unitary grip tab and occluding the container opening. The neck, however, does not teach a downwardly and outwardly extending circumferential ramp and a circumferential groove between the ramp and the opening. There is no motivation, suggestion or teaching to relocate the structure of Schmidt to provide the claimed structural arrangement and render the claim (i.e., independent claim 9) obvious in view of a further teaching for the dentils of the skirt.

Similarly, O'Meara teaches structure which would have to be reversed on the container and overcap skirt, i.e., the groove and projection, and then relocated with the ramp of the

container neck to render the claim obvious. Again, there is no motivation, suggestion or teaching to do so.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robin A. Hylton whose telephone number is 571/272-4540. The examiner can normally be reached on Monday-Friday 9:00 am - 4:00 pm.
